

ImagineNano 2013 International Brokerage Event

Networking: One-to-one meetings

Madrid (Spain): 29th January 2013

On the occasion of the ImagineNano 2013, a [Brokerage Event](#) focused on nano and microtechnologies and their applications in various industrial sectors, will be taking place on the 24th and 25th of April in Bilbao (Spain).

The aim of the ImagineNano Brokerage Event 2013 is to encourage meetings between technology developers and technology users in order to foster technical cooperation in the field of micro & nanotechnology.

Companies, technological centers, research and development institutes, research laboratories, universities and private researchers have opportunity to:

- present their know-how and innovative technologies
- find new technological solutions
- meet potential business partners
- find partners for collaborative European R&D projects

Why participate at ImagineNano 2013 Brokerage Event?

Opportunity to meet potential cooperation partners, an exceptional platform for potential partners to look for opportunities of new market, customers, technology transfer, know-how and research projects.

Costs:

Free of charge for those who already registered to attend ImagineNano (Global, Conference and Exhibition Pass) , 100€ (price per day - is valid only on the 24th and 25th of April) for participants who wish to attend the brokerage event + industrial forum (http://www.imagenano.com/INDUSTRY/Industrial_Forum.php).
