2020 IMAGINENANO

SEPT 29- OCT 01-BILBAO-SPAIN

www.imaginenano.com

ORGANISER

Bilbao (Spain) will host the 5th edition of one of the largest European Event in Nanoscience & Nanotechnology, ImagineNano, at the Bilbao Exhibition Centre (BEC): September 29 – October 01, 2020.

Following the overwhelming success of the past ImagineNano editions (www.imaginenano.com), 5 conferences will be held in parallel, as well as a vast exhibition (free entrance to professionals after online registration), one-to-one meetings and an industrial forum where everyone can meet and greet Nanotechnology side by side.

ImagineNano will therefore gather the global nanotechnology community, including researchers, industry policymakers and investors. There's no doubt that ImagineNano will be again the right place to see and be seen.

2011–2018 OVERVIEW

WHY [XHIBIT?

- More than 25 hours of exhibit time over three days
- Be part of one of the most important international events on nanotechnology
- Present your products, brand and activities in an exciting setting focused on the latest nanotechnology innovations and market trends
- Meet new customers from around the world
- Provide a base to interact with an international audience. Generate new business for your products and services
- Our exhibition booths are located in the heart of the networking and catering areas giving you the opportunity to network with colleagues, potential customers and leaders in nanotechnology research and development.
- Company name listed on <u>www.imaginenano.com</u> with a link to your company's Web site
- A perfect platform to spotlight new product or service introduction
- The entrance to ImagineNano2020 exhibition area and Industrial Forum will be free of charge for visitors (professionals) previous online registration. This will allow exhibitors to invite all their customers, collaborators, etc. without restriction.
