Bilbao (Spain) will host the 6th edition of one of **the largest European Event in Nanoscience & Nanotechnology**, ImagineNano, at the Bilbao Exhibition Centre (BEC): **November 23-25, 2021**.

Following the overwhelming success of the past ImagineNano editions (www.imagenano.com), 6 conferences will be held in parallel, as well as a vast exhibition (free entrance to professionals after online registration), one-to-one meetings and an industrial forum where everyone can meet and greet Nanotechnology side by side.

ImagineNano will therefore gather the global nanotechnology community, including researchers, industry policymakers and investors. There's no doubt that ImagineNano will be again the right place to see and be seen.
