

ImagineNano event is back in spring 2018

A 3 days event to discuss the latest in Nanoscience & Nanotechnology Call for abstracts

Madrid (Spain) – Dec 20, 2017

The Bilbao Exhibition Centre will host for the fourth time ImagineNano (www.imagenano.com), one of the largest European event in Nanoscience & Nanotechnology to be held next spring from the 13th until the 15th of March 2018 in Bilbao, Spain.

Following the overwhelming success of the previous editions 4 international conferences will be held in parallel under the same roof:

- NanoSpain www.imagenano.com/2018/nanospain2018.php
- GraphIn (Graphene Industry: Challenges & Opportunities) www.imagenano.com/2018/GraphIn2018.php
- 3PM (Photonics/Phononics/Plasmonics & MagnetoOptics) www.imagenano.com/2018/PPM2018.php
- IC2 (International nanoComposites Conference): www.imagenano.com/2018/Composites2018.php

A vast nano Fair and one-to-one meetings (B2B) will also be organized allowing everyone to meet and greet Nanotechnology side by side. The event will gather the global nanotechnology community, including researchers, industry, policymakers and investors.

It's expected that the exhibition will gather companies/institutions from different areas: nanotechnology tools, materials, nanofabrication technology, biotechnology, networks, investors, publishing, and metrology, among others.

Access to the Plenary Session, Exhibition Area (Fair) and Industrial Forum will be free of charge for professionals previous online registration.

The event will be an excellent platform for communication between science and business, bringing together Nanoscience and Nanotechnology in the same place. Further news will be updated regularly on the event website.

ImagineNano will be organized by Phantoms Foundation (www.phantomsnet.net) and Donostia International Physics Centre (<http://dipc.ehu.es/>).

Join the already 56 Keynote/Invited speaker and 26 exhibitors already confirmed.

Contribution submission deadline (oral request): January 10, 2018
